A LITTLE BIT ABOUT US..

FRESH AND LOCAL - HOMEMADE IS OUR SPECIALITY

OUR PRODUCE

At Edenshine we are **proud** to work with dozens of partners that supply us with fabulously **fresh**, lovingly prepared produce. We are very **lucky** that North Wales is so rich in **local** producers who are just as **passionate** about the quality of their products as we are about the **quality** of the food we serve.

- All our **bread** is baked locally or in house. Our sandwich and toasting bread is baked just down the road in Denbigh, as well as our, brioche buns & toasting muffins. The rolls we use at Edenshine, any special flavoured breads and the bread we use to make our Welsh rarebit are all homemade.
- Our **meat** is from Daniel Morris, a butcher in Denbigh who specialises in buying local from farmers he knows; he cures his own bacon and makes some fabulous sausages. We are pleased to say our beef, lamb and pork are all local.
- **Eggs and Dairy** : from Bellis Bros of Buckley who supply us with Welsh milk and cream . Our free-range eggs are from a local farmer in Babel and we get our ice cream from both Chilly Cow in Llanychan and Cheshire Farm.
- Husons farm in Hawarden supply us with home grown seasonal **vegetables** and salad.
- We have a superb selection of local alcoholic **beverages** from the likes of Hafod Ale in Mold who create fabulous ale, Great Orme brewery in Llandudno for Snowdon lager and Hallet's Real Cider who create traditionally pressed Welsh cider.

Our **list of local** suppliers is continually expanding and we are always looking for new producers to work with to fill our menu with even more dishes packed with the best local, homegrown, handcrafted, Welsh produce.

GOING GREEN

We are always striving to improve our **green** credentials and lessen our **environmental impact**. Our heating is provided by a **biomass boiler** that burns wood pellets - this is virtually carbon neutral and has greatly reduced our greenhouse emissions. We also ensure that we **recycle** all our general and food waste where possible and we are true believers in **reusing** and **repurposing** anything and everything that can't be recycled wherever we can.

LOVE FOOD, HATE WASTE

We try hard to **minimise food waste** so if you would prefer your sandwich, baked potato or light bite without salad please let us know when ordering and we will reduce the price slightly. We also ask if you would like vegetables with your main to reduce the amount of food we throw away. Additionally we offer a **mini-menu** for those with smaller appetites.

SUPPORTING CHARITY

We would like to say a huge thank you to our amazing customers for embracing our charity efforts. We are proud to donate to Air Ambulance and ask for a 25p donation for a glass of tap water, every penny of this is donated monthly to the charity.

ALLERGIES

Please talk to a member of the team before you order if you have food allergies; even if you don't think your meal will be affected - please let us know so we can be sure. Some of our condiments contain GM products.
